IUE Update

Remembering Whaea Sheridan

It is with great sadness that we acknowledge the passing of Whaea Sheridan, one of the school nurses at Kia Aroha College. Whaea Sheridan was a true champion for the students, and her contributions played a crucial role in strengthening the relationship between IUE and the taura at Kia Aroha College.

Her work allowed our kairangahau to engage meaningfully with the taura and support their growth in ways that will leave a lasting impact.

We extend our deepest sympathy to her whānau, colleagues, and the students she cared for so deeply.

Celebrating Our Students

Congratulations to our Manaaki student internship students on successfully completing their internships. Your dedication, hard work, and commitment throughout your placements have been outstanding, and we are incredibly proud of your achievements. A special congratulations to Seonho for placing second in the recent poster competition. This is a fantastic accomplishment and a reflection of your effort and academic excellence.

Looking Ahead

IUE has an exciting year ahead, with a number of events planned. We look forward to engaging with our community through these upcoming opportunities. A full events schedule will be released shortly – please keep an eye out for further details.

Monthly whakaaro

"E kore te kūmara e kōrero mō tōna ake reka."

(The kūmara does not speak of its own sweetness.)

This whakataukī reminds us that the true measure of someone's impact is often seen through the actions of others, and the legacy continues to be felt by those who they helped.
